start

what's more important?
- Who I'm with →
- What I'm doing →

Who I'm with branch

how many people?
- 2 or more →
- just 1 ↓

just 1:

you see a map of members near you. you filter them by gender, age, etc.

↓

you see a profile that looks fun & interesting

↓

feeling brave?
- hmmm... →
- yes! ↓

you send an instant message to Jane. she sends an IM back to you. you are having a conversation.

↓

do you want to meet her?
- nope →
- not sure →
- yes! ↓

you create a 1-to-1 activity. Jane joins the activity with you.

↓

how about inviting some more people to join in?
- why not? → you turn your 1-to-1 into a group activity
- no thanks ↓

you met 1-to-1!

2 or more branch

you browse through profiles while you wait...

↓

are you a cute girl?
- no →
- well, I don't think of myself as "cute"... ↓

you have a new instant message from Jack! you write back. you are having a conversation

↓

is Jack a creep?
- yyyep →
- no ↓

you block Jack. he can no longer message you

Jack creates a 1-to-1 activity.

↓

do you want to join?
- no →
- sure! ↓

John joins your activity!

↓

you met a group!

What I'm doing branch

do you know what you want to do?
- no yet →
- yes! ↓

something ordinary? (e.g. site-seeing)
- pretty much →
- no way man, I'm creative ↓

you create a new group activity: "let's dress up like santa and drink!"

↓

you see several activities people have already created a site-seeing.

↓

you browse nearby activities on a map. you pick one to see who's hosting and who's attending.

↓

you look at profiles

↓

do they look fun & interesting?
- no →
- yes! ↓

you met a group!

"CS Experiences" Mockups

1. Search Experiences

a. Search Box

1. Autopopulate with:
   a. Matching categories
   b. Matching experiences
2. Show Create Button with title

b. Listing results

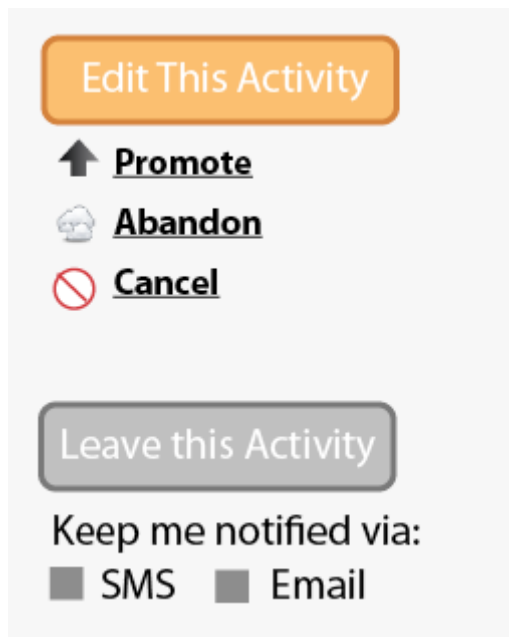

1. Secondary Search topics bar
2. Map showing results
   a. Can expand to search fully on map
      i. Replaces listings
3. Search options
   a. Start&end
   b. Categories
4. Listings
   a. Trending Experiences
      i. Image w/ title
      ii. Based on % increase in popularity (times viewed, members attending, etc...)
   b. Normal
      i. Image
      ii. Title
      iii. Location
      iv. start&end
      v. Description
      vi. Attending count

2. Single Experience
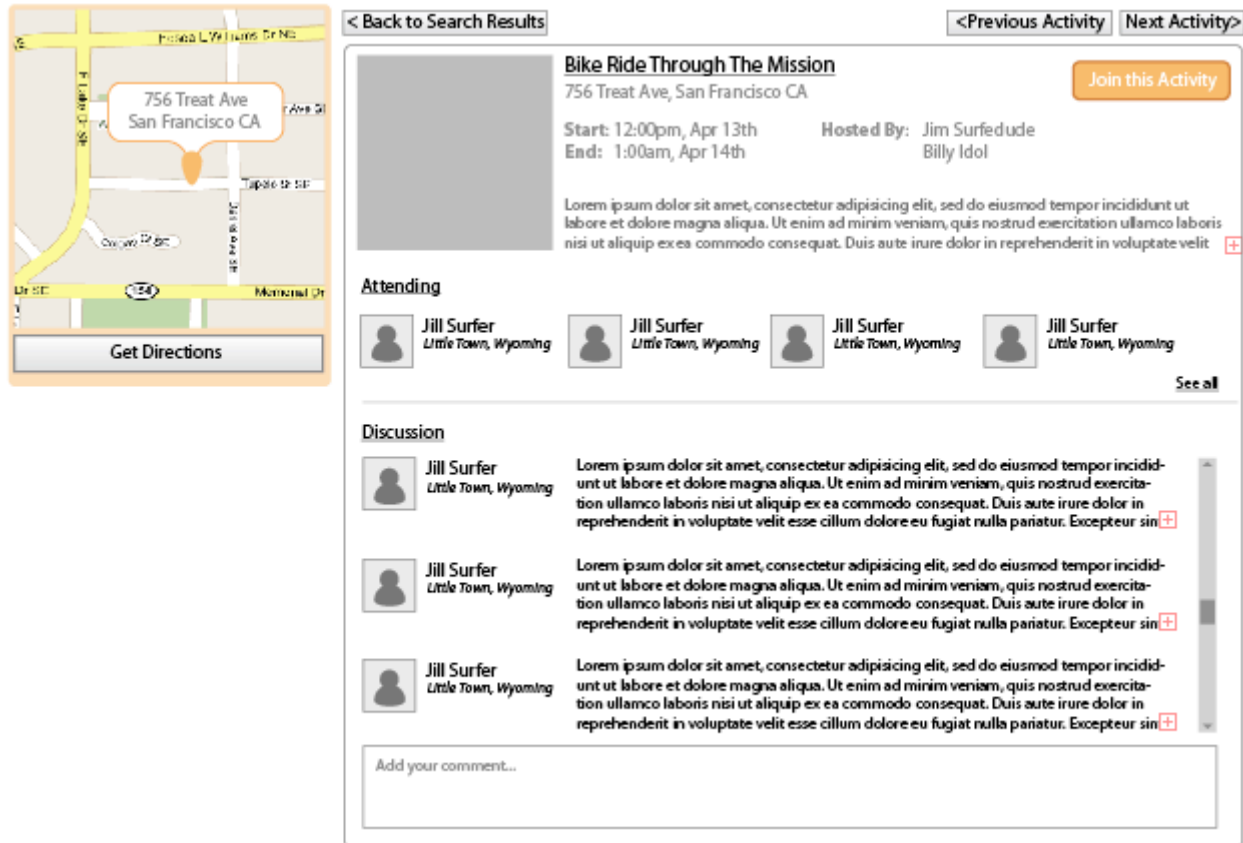

1. Map with details and location
   a. Directions opens google maps
2. Back to results
3. Prev next for fast viewing
4. Details
   a. Image
   b. Title
   c. Location
   d. Start&end
   e. Join Experience
      i. Add to gameplan
   f. Host
      i. If unhosted display link to become host
   g. Attending
      i. Show 4 (or fill screen horizontally)
      ii. Link to show all (popup)
   h. Discussion

2. If you are attending, show leave experience button

b. Promote

Promote this activity

We can promote large activites if we think they will build the CS community in an area. Will this activity....

- ☐ Pull members from more than 100 miles away?
- ☐ Have multiple organized activites?
- ☐ Promote collaboration between CS Members?

Give a short summary of this event to be used in blurbs around the site

150/150 remaining

Our activites team will look over your event, and may promote it. If they do, you will recive a message letting you know.

You asked to be reminded about this recurring event.

Museums night
Avenida Paulista, São Paulo, Brasil

Sep 1 at 08:00 pm - Sep 1 at 08:00 pm

How about spending the whole night exploring the great Sao Paulo. There will be a "Museums Night" next week and that means all the museums will be open during the night for FREE. Let's meet and enjoy this amazing cultural event!

Stop reminding me! Geeze.   **I'm Going!**

Add an Activity   Add an interest

Give your suggestion an interesting title

Enter an address (you can move the pin too)

Explain what makes your activity fun or unique…
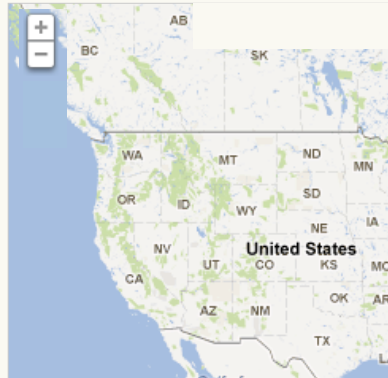

Interest tags help members find this activity (optional)

Enter helpful keywords

Do you have any cool pictures of this activity or location? (optional)

Choose File

Save it!

- use text exactly as written
- tan background rather than white makes form elements easier to use
- title and address fields are shorter
- map is small and does not have street view or satellite view options. Also note subtle border around the map
- description field is not optional
- the photo messages, "no file chosen" and the button" add another photo" are not shown
- how do you like my inspector drawing?
- save button looks button-y. It is ghosted until required fields are entered

Invade planet earth   ✔

Earth, Alpha Quadrant   ✔

They have some of the cutest little ponies you'll ever see! How I love ponies.   ✔
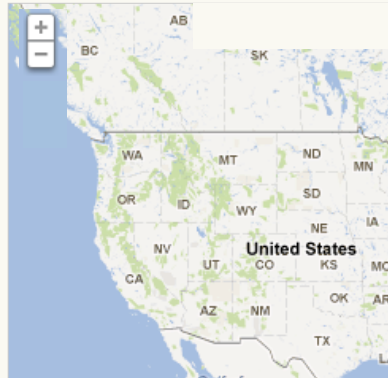

Interest tags help members find this activity (optional)

Suggestions: ponies, love

Do you have any cool pictures of this activity or location? (optional)

Choose File

Save it!

- on blur of a validated field, a checkmark appears. Checkmark is always in the upper-right hand corner, not centered. Also the background and border of fields change. On focus, they return to previous appearance.
- some interests are automatically suggested when the description field contains words that match existing interests. However, user must re-type them in to save them.
- the save button is now un-ghosted because all required fields have been entered
- if user has entered any valid fields, then if the user tries to leave the page, she gets an alert dialog, "Your activity hasn't been saved. Are you sure you want to leave this page?"

I love ponies .JPG ❌

still love 'em .JPG ❌

Choose File

Save it!

- when in the interest tags input field, upon pressing comma, tab, or enter, any text is immediately converted into a button. The tag can be removed by clicking the "x" in the button.
- once a file has been selected, the "choose file" button disappears and is replaced by the file name. Also, an "x" button appears to remove the file. Lastly, a new photo input appears (up to 3).

Add an Activity **Add an interest**

Enter a word or short phrase

A good description helps other members who share
your interest to find it and discuss it with you.

Interests don't have a location on a map.
To create something to do in a specific
location, add an activity.

Do you have any cool pictures that demonstrate this interest? (optional)

Choose File

Save it!

- use text exactly as written
- help text explains the difference between an interest and an activity and links to the create activity page
- tan background rather than white makes form elements easier to use
- title fields is shorter
- description field is not optional
- the photo messages, "no file chosen" and the button" add another photo" are not shown
- save button looks button-y. It is ghosted until required fields are entered

Ponies ✔

Kinda like horses. But cuter. ✔
